

THE GAME OF QUEER FAMILY LIFE

Janet & Summer

[Upbeat game show music]

Janet: This is the game of queer family life. The game board comes with a spinner, scenario cards, round pegs for square holes. You move around different scenarios to interact with the outside world and have affirming and oppressive experiences. To win the game, just don't let adversity bring you down. My name is Janet and I'm Mama.

Summer: My name is Summer and I'm Mommy.

[Audience cheers]

Wiishkpimin: My name is Wiishkpimin.

Zhaazhaawan: My name is Zhaazhaawan.

Janet: And these are our cats. Emily, Cloudy and Blue.
